

PELICAN BAY POLICE DEPARTMENT
HOMICIDE DIVISION — EIGHTH DISTRICT

715 South Broad Avenue, New Orleans, LA 70119
(504) 658-6080

FIRST RESPONDING OFFICER REPORT

Case No.: PBPD-2025-088142 | Document No.: 01

Reporting Officer: Officer Maria Thibodaux, Badge #2241
Assignment: Eighth District, Patrol — French Quarter Sector
Date of Report: October 4, 2025
Incident Date/Time: October 4, 2025 — 2:40 AM (dispatch received)
Case Classification: Homicide — Blunt Force Trauma
Location: Alley Rear of 712 Bourbon Street, New Orleans, LA 70116
Victim: MARCUS WEBB, M/B, DOB: 03/14/1991 (Age 34)
Status: Deceased — Pronounced at scene by EMS at 2:57 AM

I. DISPATCH AND ARRIVAL

On October 4, 2025, at approximately 2:40 AM, this officer received a dispatch call via PBPD Communications regarding an unresponsive male discovered in the alley behind 712 Bourbon Street (The Rusty Anchor). The call originated from an anonymous female caller who reported finding a male face-down and unresponsive in the alley. Caller was described as panicked and distressed. EMS Unit 14 was simultaneously dispatched.

This officer arrived on scene at approximately 2:47 AM. Officer James Martin (Badge #3318) arrived as backup at approximately 2:49 AM. The alley is accessed via a narrow passage off Bourbon Street running east behind a row of establishments. The alley, approximately 12 feet wide, is poorly lit. One overhead security lamp was operational at the north end; a second fixture at the south end was non-functional.

II. SCENE OBSERVATIONS UPON ARRIVAL

Upon entering the alley from the Bourbon Street approach, this officer observed the following:

1. A BLACK MALE, later identified as MARCUS WEBB (34), lying face-down approximately 28 feet from the mouth of the alley. Victim was unresponsive, not breathing, and had no observable pulse. Significant blood pooling was present beneath and around the victim's head and torso region.
2. Victim's clothing was heavily stained with blood, particularly at the upper back and collar area. Victim was wearing blue jeans, a white t-shirt (heavily bloodstained), and white Nike low-top sneakers. Victim's clothing appeared disturbed but not removed.
3. The victim's right cheek was resting against the asphalt. Visible contusions and lacerations were present on the right side of the face. A partial shoe impression in blood was observed approximately 6 inches from the victim's ribcage area.
4. No weapon of any kind was observed in or around the victim's immediate area. Victim's wallet and cell phone were visible — cell phone was face-down near victim's left hand. Wallet appeared intact.
5. The alley security camera (mounted on the rear exterior wall of The Rusty Anchor, approximately 14 feet high, south-facing) was observed to be operational but pointed slightly east of the body's position. This officer noted the camera as potentially relevant for footage review.

III. WITNESS CONTACTS AT SCENE

Upon arrival, this officer observed three individuals at varying distances from the scene:

A. An unidentified Black male (later identified as DARNELL WASHINGTON, 41) was standing in a doorway of an adjacent establishment approximately 30 feet north. Mr. Washington was visibly shaken and indicated he had seen men in the alley earlier. He was retained for witness interview.

B. THREE WHITE MALES were observed at the south end of the alley near the Bourbon Street intersection. Upon seeing uniformed officers, the three individuals dispersed into the crowd on Bourbon Street before officers could detain them. This officer radioed a description: three white males, one wearing a red short-sleeve shirt, one in a dark hoodie, one in a light-colored button-down. Descriptions were broadcast to surrounding units. No immediate apprehension was made.

C. An anonymous Hispanic female (believed to be the 911 caller) was seen briefly at the alley entrance but departed before officers could speak with her. She could not be located despite a subsequent canvas.

IV. ACTIONS TAKEN

This officer established a crime scene perimeter with available barrier tape extending from the Bourbon Street entrance to the rear wall of The Rusty Anchor. EMS Unit 14 (Paramedic Sandra Joubert) pronounced Marcus Webb deceased at 2:57 AM. EMS rendered no treatment due to obvious signs of death.

This officer notified the PBPd Homicide Division at 3:02 AM. Detective Renee Broussard (Badge #1887, Homicide Unit) was assigned as lead investigator and notified at 3:05 AM. Crime Scene Technicians were requested and arrived at 3:41 AM.

The rear staff entrance of The Rusty Anchor was secured pending warrant. Bar owner/manager PHILLIP ARCENEUX was contacted at 3:18 AM and consented to investigators' presence inside the establishment for limited security camera review pending formal warrant.

V. SCENE PRESERVATION

Scene was preserved without contamination prior to Crime Scene Unit arrival. No items were moved or disturbed. Officer Martin maintained outer perimeter. This officer maintained inner perimeter and primary witness contact.

Officer Signature: _____ Maria Thibodaux #2241

Supervisor Review: Sgt. Lamont Dupre, Eighth District — 10/04/2025

Report Filed: October 4, 2025 — 6:12 AM
