Case Number: PBPD-2025-088142
Caller Identity: UNKNOWN — anonymous female, not located
Classification: Priority 1 — Unconscious / Unresponsive Person

[BEGIN CALL TRANSCRIPT]

DISPATCHER: Pelican Bay Police, what is your emergency?

CALLER: [audible crying, panicked breathing] Oh God — oh God, there's a man — he's — he's on the ground and he's not moving, there's blood everywhere, oh God —

DISPATCHER: Ma'am, I need you to take a breath. Where are you right now?

CALLER: [gasping] I'm — the alley. The alley behind — behind the bar on Bourbon. Bourbon Street. The bar with the anchor sign. I was — I was walking back to my car and I saw him — he's just lying there —

DISPATCHER: Is the man breathing?

CALLER: I — I don't think so. I don't know. I'm scared to go close. There's so much blood. Oh God, please hurry —

DISPATCHER: Officers and EMS are on their way right now. What is your name?

CALLER: [pause, voice drops slightly] I — I don't — I can't. I just need someone to help him. Please, please help him. The alley behind 712, that's the address, 712 Bourbon. Please hurry.

DISPATCHER: Ma'am, are you in any danger right now? Do you see anyone else in the alley?

CALLER: No — no one. It's just him. He's just — he's face down. He's not moving. [sounds of crying] Please, you have to help him. Just please help him.

DISPATCHER: Help is on the way. I'm going to stay on the line with you. Is there any way you can stay there until the officers arrive?

CALLER: [longer pause] ...I'll try. [muffled sound — appears to move away briefly]

DISPATCHER: Officers should be there within minutes. Stay on the line.

[Line goes quiet — then disconnects at 2:43:29 AM. Caller did not remain at scene.]

[END TRANSCRIPT]

NOTE: Caller's emotional state — panic, crying, audible distress — is consistent with an individual who stumbled upon the scene unexpectedly. Caller's knowledge of the specific address (712 Bourbon) is noteworthy. Caller's refusal to provide her name and departure before officers arrived has not been explained. Investigation into caller identity is ongoing but has not produced a lead.
